

EXHIBIT C

Hi Dan,

Tim has the team's full cooperation, but we would be remiss if we didn't voice our concerns about his performance as CRO.

Looking forward to seeing you in Vegas.

All the best,
Alexzandra

Subject: Re: How much longer is Tim Bossidy's engagement for?

Hey Alexzandra -

Tim's engagement was a critical component of the forbearance agreement that was heavily negotiated and he's expected to be in place until we're satisfied we'll be paid back on our loan.

I let the last couple texts on this subject slide, but also want to remind you and Justice Grown of ypur commitments to not interfere with Tim's oversight of the New Jersey operations.

Regards,

Dan
